Date	Location	Title	Event Description
09 January 2007	School of Chemistry	Overview of Bristol ChemLabS CETL	Presentation by David Smith as part of the 2007 Learning and Teaching Week at the University of Bristol
10 January 2007	University of Bristol	Overview of Bristol ChemLabS CETL	Presentation given by David Smith as part of the annual 'Promoting Learning and Teaching Excellence and Innovation at the University of Bristol' LTSS and TSU event, which also included presentation of prizes, three of which went to School of Chemistry staff.
01 February 2007	Salters' Institute, London	Salters Chemical Education Group Seminar - "Sustaining Chemistry in Higher Education"	<p>Presentation by David Smith on 'Smarter Use of Existing Laboratory Facilities' in relation to the Royal Society of Chemistry's Chemistry for our Future Project, and how they plan to enhance the understanding between school and university chemistry and smooth the transition to higher education.</p> <p>The audience consisted of people from government, education, academia and industry.</p>
01 February 2007	Bristol City Football Stadium, Ashton Gate	Ambition 2007 - Learning Skills Council South West Careers Fair	Nick Walker represented ChemLabS at this event.

Date	Location	Title	Event Description
26 February 2007	University of Plymouth	CETL Cluster Meeting	Meeting of South West CETLs
30 March 2007	Nottingham Trent University	The Centre for Effective Learning in Science (CELS) Opening	Networking and presentations day
18 April 2007	University of the West of England	Evaluating the impact of CETL reward and recognition policies	CETL Seminar
26 April 2007	University of Bristol	Meeting with Dr Emma Robinson, Department of Pharmacology	Discussion of the DLM and Marks and Absences system - the Department of Pharmacology looking to introduce pre-lab questions and on-line tests
27 April 2007	Manchester	ChemLabS visit	Visit of new laboratories and DLM presentation
04 May 2007	University of Bristol	Faculty e-Learning group meeting	Presentation to the Faculty e-Learning group on ChemLabS by Paul Wyatt
03 July 2007	Aston Business School	Chemistry for our Future 1st National Conference	Presentation by David Smith about ChemLabS, Nick Norman also in attendance
25 July 2007	Bristol ChemLabS	Dynamic Laboratory Manual (DLM) Demo Now Available	
30 August 2007	Leicester	'The Dynamic Laboratory Manual: A VLE Supporting the Real Learning Environment'	Talk by Paul Wyatt at the HEA's 'Variety in Chemistry Education' 2-day conference

Date	Location	Title	Event Description
08 September 2007	School of Chemistry	Doors Open Day 2007	Tours of the new teaching laboratories
14 November 2007	Burlington House, London	Presentation to Heads of Chemistry UK (HCUK) meeting	Presentation on ChemLabS by Nick Norman and David Smith at this meeting organised by the RSC
21 November 2007	School of Chemistry	Grand Opening of the Bristol CETLs	Official opening of the University of Bristol's CETLs performed by the Chief Executive of HEFCE, Professor David Eastwood, together with the University of Bristol's Vice-Chancellor, Professor Eric Thomas
28 November 2007	Cardiff	BioProcessing Conference	Faculty of Science represented by George Banting from the Biochemistry Department including ChemLabS literature
13 December 2007	Edinburgh	Presentation to the University of Edinburgh, School of Chemistry Teaching and Learning Away Day	Presentation on ChemLabS at this event by David Smith and Nick Norman at the University of Edinburgh's invitation
