

## Outreach

date	title	location	audience category	how many participants
<b>2005</b>				
09/05	Show and Do Teacher Training in demonstrating exciting Chemistry Practicals II	School of Chemistry	Teachers	20
01/06	Trials of Y9 Chemistry On-line Quiz using Blackboard	Rednock School	Y9	180
25/06	VIP Summer School	School of Chemistry	Visually impaired students aged between 20 & 80+ with their sight guides	30
01/07	Show and Do Teacher Training in demonstrating exciting Chemistry Practicals I for Regional Science Centres - South West	School of Chemistry	Teachers	8
05/07	ALCOPOPS Post-16 Practicals	School of Chemistry	Post-16	14
04/09	Sutton Trust summer school	School of Chemistry	Y12	25
05/09	Higher Education Summer School	School of Chemistry	Y11	30
23/09	Royal Institution Express Yourself Final	London	Post-16	3
13/10	Warwick University Chemistry Department "Ten Beautiful Experiments", lecture by Philip Ball	Warwick University	Y13 students from Rednock School	4
25/10	Science and Engineering Ambassador Training	School of Chemistry	Postgraduates	25
31/10	Nuffield Bursary Scheme 2005	School of Chemistry	A-Levels	1

<b>date</b>	<b>title</b>	<b>location</b>	<b>audience category</b>	<b>how many participants</b>
07/11	Top of the Bench competition heats	School of Chemistry	14-16-year olds	10 teams of 4 from 9 schools
09/11	Chemistry Conference Chemistry Week	School of Chemistry	Y11-13 & their teachers from over twenty schools	440
16/11	Chemistry Conference (overspill from 9 November))	School of Chemistry	Y11-13 & their teachers	255
26/11	Perfume Chemistry Workshop Trial	Badminton School	Post-16	15
28/11	Launch of 'Shape the Future'	Science Museum, London	Post-16	3
30/11	Cotham School and Redland's High School Structure and Bonding Workshop and Lecture	School of Chemistry	Y10	36
30/11	Year 10 Structure and Bonding Workshop	School of Chemistry	KS4 students from 2 schools	35
01/12	Primary Science Day	St Mary's Thornbury	Primary	220
12/12	Spectroscopy tours	School of Chemistry	Post-16	47
14/12	Training in the use of Grätzel cells	School of Chemistry	Teachers	17
15/12	Spectroscopy tours	School of Chemistry	Post-16 students & their teachers	47
